

National Churches Trust

METHODOLOGY NOTE

ComRes interviewed 2,048 British adults aged 18+ online between 15th–18th December 2016. Data were weighted to be representative of all British adults aged 18+ by age, gender, region and socio-economic grade. ComRes is a member of the British Polling Council and abides by its rules.

All press releases or other publications must be checked with ComRes before use. ComRes requires 48 hours to check a press release unless otherwise agreed.

To commission a voting intention poll or a public opinion survey please contact Andrew Hawkins:

andrew.hawkins@comresglobal.com

To register for Pollwatch, a monthly newsletter update on the polls, please email: pollwatch@comres.co.uk

Churches Survey

ONLINE Fieldwork: 15th - 18th December 2016

Absolutes/col percents

Table 1

Q.1 The UK has around 42,000 churches, chapels and meeting houses, many of which are historic buildings. Which of the following, if any, do you think are the three most important benefits of these buildings for the UK?

Summary**Base: All respondents**

Q.2 To what extent do you agree or disagree with each of the following statements?
Summary
Base: All respondents/ split sample respondents

| | Statements | | | | | | |
|-----------------------|--|--|--|--|--|--|--|
| | The UK's churches, chapels and meeting houses are an important part of the UK's heritage and history | Churches, chapels and meeting houses are important for society, as they provide a space in which community activities such as playgroups, cultural events etc can take place, as well as worship | It would have a negative impact on my local community if my local church, chapel, or meeting house was no longer there | Repairing and restoring churches, chapels and meeting houses only benefits churchgoers | It is difficult to find useful visitor information, such as directions, opening hours, and details of things to see and do, about churches, chapels and meeting houses | The Government should give financial support to churches, chapels and meeting houses in order to protect their heritage and history for future generations | Public money should be used to provide financial support to churches, chapels and meeting houses in order to protect their heritage and history for future generations |
| Unweighted base | 2048 | 2048 | 2048 | 2048 | 2048 | 1028 | 1020 |
