

Chartered Institute of Building – MPs Panel survey

METHODOLOGY NOTE

ComRes interviewed 152 MPs online and by self-completion paper questionnaire between June 9th and August 1st 2015. Data were weighted by party and region to be representative of the House of Commons.

All press releases or other publications must be checked with ComRes before use. ComRes requires 48 hours to check a press release unless otherwise agreed.

To commission a voting intention poll or a public opinion survey please contact Katharine Peacock:
katharine.peacock@comres.co.uk

To register for Pollwatch, a monthly newsletter update on the polls, please email: pollwatch@comres.co.uk

June 2015 MPs Parliamentary Panel Survey

<p>Q1_SUM. Chartered professional bodies are professional institutions with formal credentials of competence in a specific field of work. They promote and support a particular profession. Thinking about chartered professional bodies in general, how familiar or unfamiliar would you say you are with each of the following? - SUMMARY TABLE</p> <p>Base: All respondents</p>	1
<p>Q1_1. Chartered professional bodies are professional institutions with formal credentials of competence in a specific field of work. They promote and support a particular profession. Thinking about chartered professional bodies in general, how familiar or unfamiliar would you say you are with each of the following? - The purpose of chartered professional bodies</p> <p>Base: All respondents</p>	2
<p>Q1_2. Chartered professional bodies are professional institutions with formal credentials of competence in a specific field of work. They promote and support a particular profession. Thinking about chartered professional bodies in general, how familiar or unfamiliar would you say you are with each of the following? - The workings of chartered professional bodies</p> <p>Base: All respondents</p>	6
<p>Q1_3. Chartered professional bodies are professional institutions with formal credentials of competence in a specific field of work. They promote and support a particular profession. Thinking about chartered professional bodies in general, how familiar or unfamiliar would you say you are with each of the following? - The chartered professional bodies for construction professions</p> <p>Base: All respondents</p>	10
<p>Q1_4. Chartered professional bodies are professional institutions with formal credentials of competence in a specific field of work. They promote and support a particular profession. Thinking about chartered professional bodies in general, how familiar or unfamiliar would you say you are with each of the following? - The chartered professional bodies for finance professions</p> <p>Base: All respondents</p>	14
<p>Q1_5. Chartered professional bodies are professional institutions with formal credentials of competence in a specific field of work. They promote and support a particular profession. Thinking about chartered professional bodies in general, how familiar or unfamiliar would you say you are with each of the following? - The chartered professional bodies for healthcare professions</p> <p>Base: All respondents</p>	18
<p>Q2_SUM. How effective or ineffective do you think that chartered professional bodies for construction professions are at each of the following: - SUMMARY TABLE</p> <p>Base: All respondents</p>	22
<p>Q2_1. How effective or ineffective do you think that chartered professional bodies for construction professions are at each of the following: Raising standards of competence and knowledge in their industry</p> <p>Base: All respondents</p>	23
<p>Q2_2. How effective or ineffective do you think that chartered professional bodies for construction professions are at each of the following: Improving industry performance and productivity</p> <p>Base: All respondents</p>	25
<p>Q2_3. How effective or ineffective do you think that chartered professional bodies for construction professions are at each of the following: Enhancing social mobility</p> <p>Base: All respondents</p>	27
<p>Q2_4. How effective or ineffective do you think that chartered professional bodies for construction professions are at each of the following: Promoting robust standards of compliance, governance and ethics in their industry</p> <p>Base: All respondents</p>	29
<p>Q2_5. How effective or ineffective do you think that chartered professional bodies for construction professions are at each of the following: Increasing the amount of influence the UK has over international standards</p> <p>Base: All respondents</p>	31
<p>Q2_6. How effective or ineffective do you think that chartered professional bodies for construction professions are at each of the following: Increasing UK trade opportunities abroad</p> <p>Base: All respondents</p>	33
