

CIPFA – RESEARCH AMONG THE GENERAL PUBLIC

METHODOLOGY NOTE

ComRes interviewed 1,002 British adults by telephone between 18th and 20th March 2016. Data were weighted by age, gender, region and socio-economic grade to be representative of all British adults aged 18+. ComRes is a member of the British Polling Council and abides by its rules.

All press releases or other publications must be checked with ComRes before use. ComRes requires 48 hours to check a press release unless otherwise agreed.

To commission a voting intention poll or a public opinion survey please contact Katharine Peacock:

katharine.peacock@comres.co.uk

To register for Pollwatch, a monthly newsletter update on the polls, please email: pollwatch@comres.co.uk

CATI Opinion Poll

If a referendum were held tomorrow on the UK's membership of the European Union (EU), how would you vote on the following question? "Should the UK remain a member of the European Union, or leave the European Union?"	1
Base: All respondents	
Q1. Overall, do you believe that membership of the EU is detrimental or beneficial to the delivery of public services in the UK? By public services we mean things such as healthcare, education, local council services, and law and order.	3
Base: All respondents	
Q2_SUM. Do you think each of the following would be better in Britain if the UK left the European Union or if the UK remained in the European Union, or would it make no difference? SUMMARY TABLE	5
Base: All respondents	
Q2_1. Do you think each of the following would be better in Britain if the UK left the European Union or if the UK remained in the European Union, or would it make no difference? Health and social care services	6
Base: All respondents	
Q2_2. Do you think each of the following would be better in Britain if the UK left the European Union or if the UK remained in the European Union, or would it make no difference? Security (i.e. protection against terrorist threats, law enforcement)	8
Base: All respondents	
Q2_3. Do you think each of the following would be better in Britain if the UK left the European Union or if the UK remained in the European Union, or would it make no difference? Quality of higher education	10
Base: All respondents	
Q2_4. Do you think each of the following would be better in Britain if the UK left the European Union or if the UK remained in the European Union, or would it make no difference? Consumer protection (such as food and product safety or data protection)	12
Base: All respondents	
Q2_5. Do you think each of the following would be better in Britain if the UK left the European Union or if the UK remained in the European Union, or would it make no difference? Regional economic development	14
Base: All respondents	
Q3_SUM. To what extent, if at all, do you feel that UK membership of the EU puts pressure on public services, in your local area and in the country? SUMMARY TABLE	16
Base: All respondents	
Q3_1. To what extent, if at all, do you feel that UK membership of the EU puts pressure on public services, in your local area and in the country? In my local area	17
Base: All respondents	
Q3_2. To what extent, if at all, do you feel that UK membership of the EU puts pressure on public services, in your local area and in the country? In the country	19
Base: All respondents
