

## ComRes Climate Change Poll – April 2019

Methodology: ComRes interviewed 2037 GB adults online between 26<sup>th</sup> and 28<sup>th</sup> April 2019. Data were weighted to be representative of all GB adults by age, gender, region and social grade. ComRes is a member of the British Polling Council and abides by its rules. 	Statements							
	I believe that climate change threatens our extinction as a species	I do not believe that climate change threatens our extinction as a species but it does need to be tackled	I think the impact of climate change has been exaggerated	I support the aims and tactics of Extinction Rebellion	It was hypocritical of actress Emma Thompson to fly more than 5,000 miles from Los Angeles to London to take part in the climate change protests	I would be willing to forego at least one overseas trip per year for the sake of the climate	I would be more willing to protest about high fuel prices than climate change	I believe that human activity is the principal cause behind climate change
